青島理工大學琴島學院
Qingdao Technological University Qindao College

Introduction of college

Qingdao Technological University locates in the beautiful coast city--- Qingdao. It was found in 1953 ,it is a comprehensive university with up-to-date research and development in the field of science, engineering, economics, management, art, and law.

Qindao College (QDC), which provide undergraduate programs and certificate programs,is seted up by QingdaoTechnological University as an independent college. It is one of the standardized independent colleges firstly approved by Ministry of Educationof the Peoples Republic of China and it is the first one in Qingdao.

QDC is located in the beautiful coastal city Qingdao, which is in the southeast of Beijing and is one hour and 20 minutes flight away from Beijing. It is a comprehensive university with 400,000 square meters built on the land of 70 hectares, together with over 16700+ students and over 1,600 staff and more than 900 full time teachers. QDC provides 29 bachelor degree majors and 21 certificate maijors which are included in 8 schools.

Our international programs started from over 5 years ago, and now is developing in a rapid speed. We have had cooperation with universities in Germany, Canada ,Australia, Japan, South Korea, Russia, India, Indonesia and Thailand. This year we have about 300+ international students study in our campus, They not only enjoy the Chinese study here, but also the culture experience with the Chinese students.
